For Immediate Release (March 2018)

Fargo, N.D. – Plains Art Museum announces the fifth annual Buzz Lab teen internship program, taking place throughout Summer 2018. The Buzz Lab internship is for teens ages 11-18 who are interested in the arts and sciences, leadership, and the environment, and who want to make a positive impact on their community.

Buzz Lab interns commit to seven days of learning and collaboration at Plains Art Museum and are paid for their time. Interns work with artists and teachers to learn and discuss the importance of pollinators, create original works of art, share their art and knowledge with our community. Interns also develop and maintain the Pollinator Garden at Plains Art Museum.

Applications are due by 5:00 pm on Thursday, March 15; applications can be picked up at the front desk of Plains Art Museum and are available at plainsart.org
