Plains Art Museum Launches 2020 Buzz Lab Internship Program

Press Release

For Immediate Release (February 2020)

Fargo, N.D. – Plains Art Museum announces the seventh annual Buzz Lab teen internship program, taking place throughout Summer 2020. Buzz Lab is a paid internship for teens ages 12-18 who are interested in the arts, leadership, and the environment, and who want to make a positive impact on their community. This program is proudly supported by a generous grant from the Institute of Museum and Library Services.

Buzz Lab interns commit to eight days of learning and collaboration at Plains Art Museum and through field trips. Interns work with artists and scientists to learn and discuss the importance of pollinators, create original works of art, and share their art and knowledge with our community. Interns also develop and maintain the [Pollinator Garden at Plains Art Museum](#).

Applications will launch on Thursday, February 27 at the Buzz Lab Launch Party at 5:30 pm. Following the launch party, applications will be available online at <https://plainsart.org/buzz-lab-5-0-teen-intership/> and at the front desk of Plains Art Museum. Applications are due by 9:00 pm on Thursday, March 26.

Plains Art Museum is your nonprofit art museum and education center, supported by over 800 individuals and organizations. The Museum and its Katherine Kilbourne Burgum Center for Creativity encompass the largest and only accredited art museum in North Dakota. It is located in downtown Fargo at 704 First Avenue North. For more information about visiting or supporting your art museum, visit www.plainsart.org.
