

Greetings!

My name is Jamey Penney-Ritter. I am a published photographer, graphic designer and illustrator based out of Washburn, WI. In this packet are coloring sheets from my Regalia Series plus a couple designs I think you'll find compliment and set. The designs are based on photos I took of dancers at powwows in Red Cliff, Bad River and La Courte Oreilles in northern Wisconsin. These are bands of the Lake Superior Chippewa.

Please use the sheets to educate, encourage and inspire your communities. The only limitation I ask for is that they are for personal and educational use.

Sincerely,
Jamey
