## What is "Daruma"?

It is a lucky charm that watches over you to make sure that the wishes you ask for come true, and it is also used as a decorative talisman to ward off misfortune in the home and the work place.

The most popular and traditional color is red.

Daruma are available in all kind of colors nowadays.

## One interesting thing about Daruma is its eyes!!

## WHO IS HE?

He is a monk called Daruma Daishi. He came from India and is known as the founder of Zen Buddhism. He is famous for having strong patience and spirit. In Japan, people made round Daruma dolls to show his spirit.
